Anchor works together

Anchor gets together before a meeting.

Anchor has had a fun but busy year. Visiting children at Su land on Halloween, and holding car washes, bake sales, and, course, Chief Pride football sales, were just some of their activities.

But of course they claim they couldn't have done half the things without their male sponsor and total cooperation from club members.

Tempos sing up a storm

Concert Chorus sings the Alma Mater at a MCC pep rally.

Singing, singing, singing — that's the way the chorus does it at MCC. This year's concert chorus, which is composed of a group of energetic young people from the Mixed Chorus, Tempos, and Concert Chorus, has been more active than ever.

State Competition for 76-77 was held at Coral Gables High and Hollywood Hills High School, during February 25-26 for solo and small embellies on March 18 and 19 for Concert Chorus.

Soloists and members of small embellies performed in Black Awareness Week. Other activities included, singing for special meetings, festivals, and retirement homes, and attending the group breaking ceremony of a new library. The Tempos performed at Westland Mall for Christmas, Jackson Hospital Treelighting Ceremony, also the Insurance Women's Banquet and for Northwest area Assistant Principals.

"Directions" was the theme of the 1977 CHIEFTAIN. It all started at the beginning of the year with the choosing of editors and their staffs. Last minute rushing, deadlines, plenty of headaches and final layouts are a few of the things that the CHIEFTAIN staff did this year. But, nobody minded the work very much because the final product was the pride of the entire staff.

The club never spent a dull moment. They took trips to Haulover Beach, Planet Ocean, campgrounds and the morgue (only science "freaks" visit the morgue).

For fund raising they sold candy canes, and for MCC they sponsored a science assembly in January and spent a lot of time fixing things for the science dept.

The club, still going strong, has been around since the sixties.

The club's activities for raising money consisted of car washes and selling calendars. They had two car washes the first half of the year. Both were very successful. They made over a hundred dollars at each one. Their calendar sale went exceptionally well. They sold all the calendars with students still asking for more.

With all the money DCT earned, they had no trouble finding ways to spend it. One of them was spending some of their school mornings eating breakfast at their famous meeting spot, The International House of Pancakes.

At the Employee-Employer banquet in March, all took their bosses to dinner and had a good time. All in all '76-'77 was a terrific year!!

They gain valuable experience before finishing high school and get a head start on careers in the business world. In addition, CBE students belong to Cooperative Education Clubs of Florida, a club designed to develop leadership qualities and skill in competition.

CBE gained recognition at MCC when they won 2nd place for Homecoming with their clever "Friendship Brings Us Closer to Love" theme. With bakes sales, car washes, and social security card sales; with initiation parties, Christmas and End-of-the-Year parties, with District 17 and State Competition; and the finale — the annual Employer-Employee Banquet, it was easy to see why this year has been full, but definitely one of the best.

CC organizes for others

ICC — Inter Club Council is a connection between every club at MCC, and consists of the vice presidents from each club.

Their main goals are to solve any problems in the other clubs and to make the other clubs aware of all the rules and regulations.

Among other things, they discuss money making and service project activities for the clubs.

To sum it all up, ICC has been an active club this year.

A great year for the marching chiefs

The Marching Bank has succeeded in making a better band. They have been performing for many years with much talent and are trying very hard to raise money for the trip to Mexico. For raising the money they had a carnival, dances, car washes, and car sales with the help of the Band Parents Organization.

The Band Parents were presented with a plaque by the "Number 1 Percussion Section" for helping raise money for new percussion instruments.

The students at Miami Carol City have been proud of their band for many years.

Forum leads sophomores

The Sophomore Forum is the Youth Advisory Council for food service in the school cafeteria. Meeting once a month, they take in all the complaints around the school about the cafeteria and try to do something about them. They also try to get new programs for the lunch schedule. The Sophomore Forum was a main part of the decorating during MCC's homecoming week.

Near the end of the year, SOLVE had a banquet to recognize members' accomplishments.

Orchestra makes the now sound

Starting early, the orchestra got busy and went to an orchestra roundup at Southwest Senior High School early in October. The high schools attended the roundup.

District XVII elections, competition and state convention made the year a busy one, while breakfast meetings, fund market sales, poster sales, car washes, Christmas carols and parties added to the fun.

Volunteer work included helping with swine flu vaccinations, Red Cross projects and the Youth Fair. Throughout the year CHO members' knowledge of life and death expanded.

The Varsity season at a glance

The unbelievably successful 9-1 season led to a berth in the state play-and re-birth of the excitement that only a state championship can create. Football was the story of the year, the topic that dominated MCC's students' minds and spirits for a large part of 1976.

Head football coach Jerry Anderson, the *Miami News'* "Coach of the Year," led the Chiefs to more than their most successful season ever as they defeated All-Star teams around the county and state. Lorenzo Roan, Reggie Ogburn, Fred Abad, John Swain and Lester Williams headed the Section AA's first team, with James Gilbert and Rick Christian making the second team. Roan made the All-State team.

The Chiefs led the county by placing fifteen players on each of the All-City and All-County teams. Roan, Williams, Swain, Abad and Ogburn were named to first teams with Robert Alvarez, Gilbert, Christian and Rubin Proctor on second teams. David Grant, Terry Daniels, Ricky Green, King Scott, Jeffers Brown and Rafael Ramon rounded out the honors on the third and honorable mention teams.

JAMBOREE

A 10-0 win over Hialeah and a 3-0 shutout against Norland at the Jamboree set the pace for the season.

A 46-yard run by Lorenzo Roan gave MCC the jamboree's only touchdown and an extra point kick and a field goal by Rafael Ramon brought the Chiefs to 10-0 over Hialeah.

Ramon kicked a 27-yard field goal in the second half for a 3-0 win over Norland.

CAROL CITY 20 — NORTH MIAMI 14

Carol City opened its regular season against North Miami and got the job done. With cloudy skies and a 60% chance of rain, the Chiefs led the Panthers 13-0 at the end of the first half, but lightning forced postponement the second half until Sept. 18.

North Miami was ready for the Chiefs after the week's break and moved to a 4-13 lead before Alvester Martin recovered a North Miami fumble on the Panthers' 11 yard line. On the second play from scrimmage, Roan swept five yards for the final touchdown, and City won 20-14.

CAROL CITY 27 — MIAMI SPRING 3

The Miami Springs game told a different story altogether—as the Chiefs defeated the Hawks 27-3. The Hawks capitalized on a fumble to take an early 3-0 lead at halftime, but it was their only score of the game.

Roan opened MCC's second half scoring with a four yard run. Reggie Ogburn scored twice from 10 and 18 yards out, and James Gilbert added the final touchdown with a 1 yard run. Ramon connected with 3 extra points.

CAROL CITY 20 — NORTH MIAMI BEACH 0

The Chiefs continued to prove their superiority with a 20-0 win over North Miami Beach, and they didn't waste any time. On the first possession of the game, the offense moved the ball before Gilbert took it into the end zone on a 3 yard run.

Roan swept around the right side for a 32 yard run and another score. Ramon added extra points, and the Chiefs took a 14-0 lead into the locker room.

The Chiefs came out mean in the second half, and the defense gave up only 25 yards rushing and 30 yards in the air.

In the fourth quarter Daniels scored the final 6 points with a 5 yard run.

CAROL CITY 41 — NORTH WESTERN 0

The powerful Chiefs kept on rolling with a brutal 41-0 victory over North Western. MCC, ranked fourth in the state, took an early 26-0 lead at halftime. Led by senior quarterback Ogburn who directed their wishbone, the Chiefs totaled 300 yards on the ground. Roan contributed his third 100 yard game in 4 games.

On defense the Chiefs were led by Williams who harassed the Bulls' quarterbacks all through the game.

This was the Chiefs' fourth victory and first shutout of the season.

CAROL CITY 38 — NORLAND 19

An unbeaten record and a "neighborhood championship" were at stake when MCC faced Norland.

The Vikings drew first blood. Richardson led the scoring with 2 touchdowns and was followed by Randy Cleveland, Daniels and Roan with 1 each. Ramon added to the total with a field goal, and extra points brought the final score to 38-19 and another MCC victory.

CAROL CITY 33 — EDISON 13

It came the Red Raiders who sustained a scoring drive, and before the Chiefs knew it, the score was 7-0. Carol City knew it had work to do. After a long, time consuming drive, MCC scored on a 12 yard run by QB Ogburn.

At halftime, MCC regrouped in the locker room and, doing what it had for years, came back with 3 consecutive scoring drives.

Roan scored TD's of 1, 4, and 20 yards on 15 carries. Outstanding performances were shown by Swain, Scott and Williams.

CAROL CITY 24 — JACKSON 14

The scene was Miami-Dade North, the event — the "Soul Bowl" that would help determine the Northern Division Championship.

The tempo was set — two teams of supposed equal strength, balance and speed. The season had been building up to this most crucial game. Both teams were looking for playoff berths, both were 6-0, but one would have to go home 6-1.

Roan, Richardson and Gilbert split the scoring with one touchdown apiece. Ramon added the extra points and field goal as Carol City scored a must win over Jackson 24-14 and raised their record 7-0. The defense, led by Swain, Williams, Rod Wilder and Dwayne Burse, gave an outstanding performance while holding the powerhouse Generals to 14 points.

CAROL CITY 14 — CENTRAL 0

MCC opened up the scoring against Central with touchdown by fullback Gilbert but had trouble adding more points until Daniels scored with seconds remaining. The defense held Central scoreless, giving the Chiefs a 14-0 victory for homecoming.

CAROL CITY 28 — HIALEAH 13

The team that snapped MCC's win streak last year came into Miami-Dade Stadium with the same idea again this year, but the Chiefs were not to be denied a win over Hialeah. Ron scored first on an 89-yard run while Daniels, Gilbert and Roan added more TD's. MCC captured the Northern Division title with the 28-13 win and raised their record to 9-0.

CAROL CITY 7 — HIALEAH MIAMI LAKES 37

The Chiefs learned "the agony of defeat" as they saw their dreams of an unbeaten season destroyed 37-7 by Hialeah-Miami Lakes at Milander. Gary Harper led the fired-up Lakes' attack that demolished MCC's chances for an unblemished record. Roan scored the Chiefs' only TD, and Ramon kicked the extra point.

CAROL CITY 22 — PALMETTO 13

Ogburn handed the ball off to a backfield that scampered through the Panthers' defense for 195 yards.

Roan made up for any of Ogburn's slack, gaining 120 yards on just 21 carries and scoring two touchdowns, one from 1 yard and another from 4 yards out. He also threw the key block that enabled Daniels to score the Chiefs' first TD on a five-yard run around left end. The turning point of the game came in the third quarter, when the Panthers attempted a halfback pass only to be intercepted by defensive back Keith Carter. Carter raced down to the Chiefs' one-yard line where Roan plunged up the middle for a 14-7 lead.

On the Chiefs' next possession, they increased that margin to 21-7 on a 67-yard march down field with Roan scoring. Ramon added the extra points. The Panthers scored to make it 21-13, with just over three minutes to go.

CAROL CITY 22 — POMPANO BEACH 20

Carol City's game against Pompano Beach was labeled as the Chiefs' final season game by a Broward journalist, but the Chiefs proved them wrong with a breathtaking 22-20 win.

The game started as a struggle with both teams with nothing to show for their efforts. Then Lorenzo Roan opened the scoring.

Wilder and Swain were outstanding for defense, with shocking hits and tackles.

CAROL CITY 7 — TAMPA PLANT 6

Tampa Plant shut down Carol City's touted offense for three quarters, but MCC's defense did the same to Tampa relinquishing only 6 points in the game.

The key play of the game came late in the fourth quarter when David Lee intercepted a Plant pass. That play was the spark that the Chiefs' offense needed as they marched 55 yards down the field with Roan going over from the one yard line.

Plant's last effort was thwarted by MCC's defense, and Carol City took over as the clock ran down.

CAROL CITY 15 — GODBY 21

Carol City's hopes of winning the state championship were stopped by Tallahassee Godby by a score of 21-15.

Tallahassee opened the scoring on a nine yard sprint and came back on their second possession to score a 64 yard touchdown giving Godby a commanding 13-0 lead. The Chiefs came back to score a touchdown on a 43 yard pass from Ogburn to Gilbert as the first half ended 13-7.

Opening the second half, Godby recovered a Carol City fumble and went on to score on a one yard plunge.

The Chiefs didn't quit. On their next possession, Daniels scored on a 63 yard end around to make the score Carol City 15, Tallahassee 21.

Carol City had a final shot to win the game, but Daniels was intercepted on a reverse pass play. Carol City ended the season with a 12-2 record, the best in MCC's history, and their first chance at a state football championship.

JV has near perfect season

The JV football Chiefs ended their season with a 5-1 record. The only blemish was a 6-0 loss to NMB. The potent offense was by two QBs, Sam Nixon and Kelvin Clark, and running backs Arthur Marsh and Ray Gamble. The outstanding defensive players were Manny McMullen, James Smith, and Marcus Fryer. Helping Coach Paris was a staff of fine coaches — Willie Melvin, Henry Snell and others.

Water Polo eyes future.

The Ladies' water polo team, even though they only had three varsity girls returning, had a fairly good team.

At first, the ladies didn't think they were going to get anywhere this season. Throughout the season, they were plagued by a lack of players. But they had too much Chief Pride to ever have a forfeit on their record.

Ending their season with an impressive 5-5, the ladies made the state playoffs. Their first game was against Coral Park which they won, 13-3. They found themselves up against American High Patriots again. The Chiefs lost to the Patriots during the season, but only by one point.

The Chiefs did their best but were defeated. This loss knocked them out of the state tournament and put the Patriots in the 12th seat.

They have a lot of recruiting to look forward to next year, since they will be losing three out of their seven players.

Sharon DeSoto and Rose Castillo received State Honorable Mention for the second year in a row.

State Champions you can't call them, but you could be proud of the way this year's guys' water polo team tried to live up to the title that seven seniors left them with in 1976.

Despite the fact that there were only two remaining varsity players, the guys' water polo team had a very exciting and rewarding season. They finished the season with a 5-5 record.

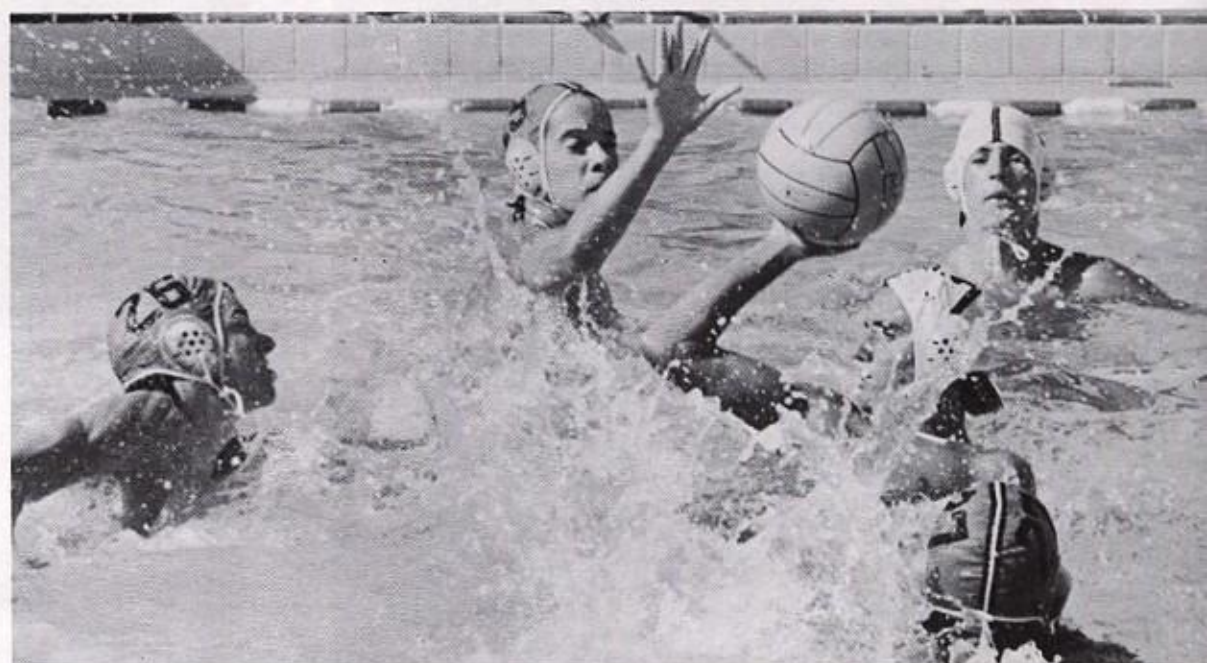

The Chiefs just made the State playoffs. Their first game was against the tough Killian Cougars, who beat them, 14-10. Since the Chiefs were beaten, that knocked them out of the 'A' tournament and placed them into the 'B' tournament to play Hialeah-Miami Lakes who also beat them 1-0, which kicked the Chiefs out of the State Tournament completely.

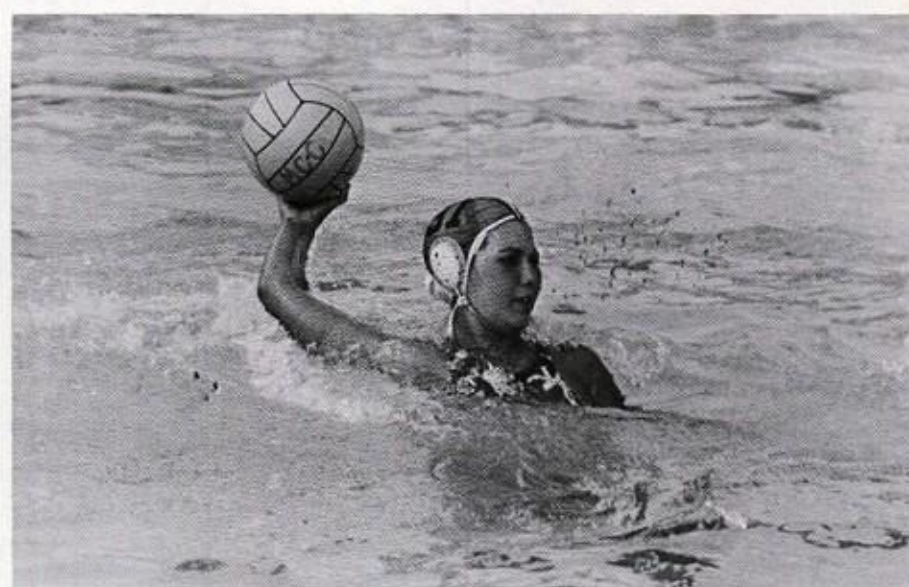

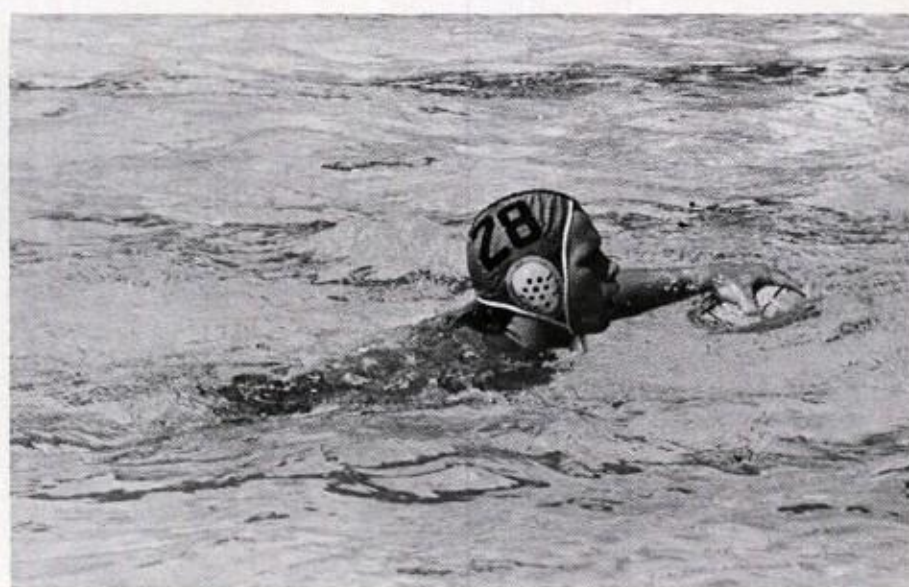

Next year the Chiefs will be in the same position as they were before. They will have to rebuild their varsity team since they will be losing seven of the eight varsity players.

Water Polo means action and plenty of it.

Cross Country is a complete individual effort, which either makes or breaks the athlete's heart. This year's team ran at Greynolds Parks' three mile course, where they finished with an impressive 5-2 record in dual meets. Outstanding performers were Eugene Kinchen and Robert Martinez, with special mention to Antonio Burke and Robert Martinez for their fine dedication throughout the year, according to Coach Joe Long.

The women's gymnastics team looked much better than last year. It was slightly larger than last year's team with all new members. Coach Noel Miner looked forward to a winning schedule and team members were very optimistic.

Men's Gymnastics

Coach Don Heorcherl looked for a fair winning season, although not as strong as last year. The all around Men's team was fairly young. Antonio Hidalgo, the only senior, added depth to the team with the help of junior Luis Duero. Meets began March 1 as the team faced a rough 12 meet schedule.

The team struggled through the season, but made it to the second game of District competition, where they lost a close game to the undefeated Central Rockets, and finished their season with an overall record of 5-10.

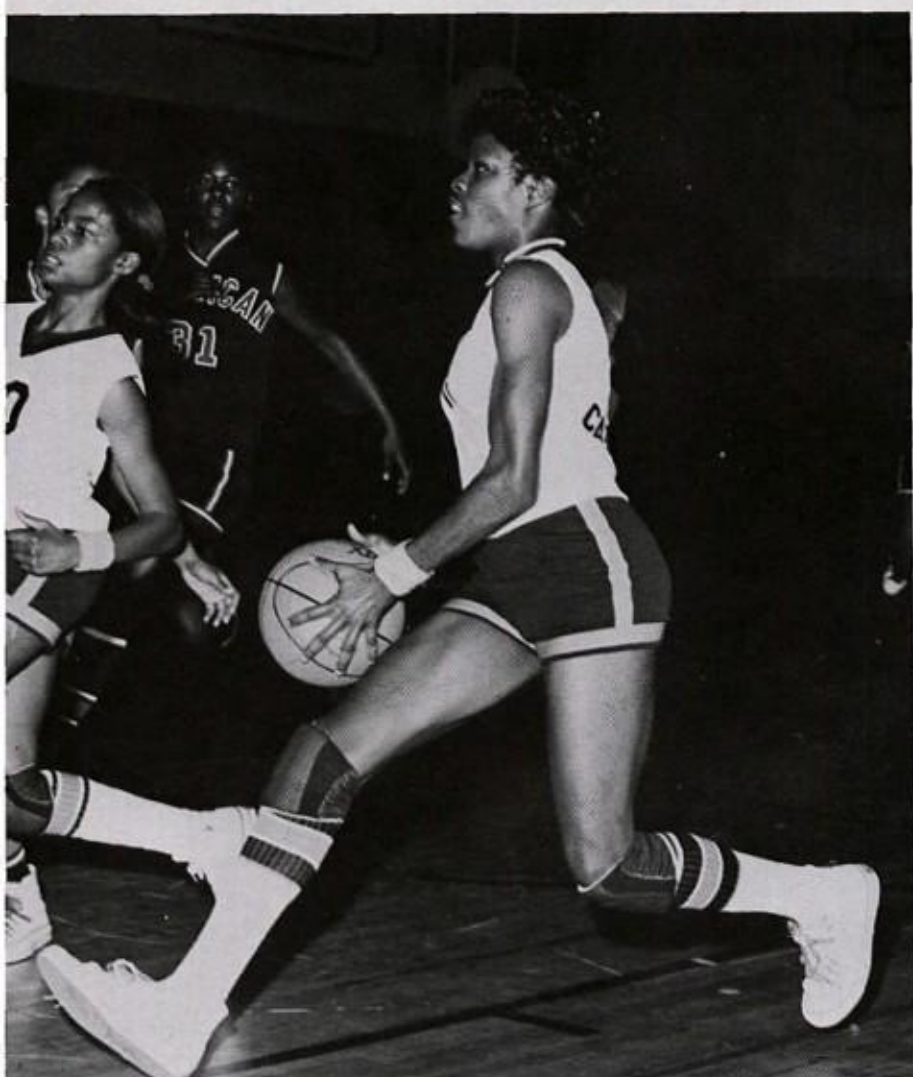

Captain Aurora Benn led the team's scoring with an average of 13 points per game. "One of the most outstanding players of the season was Sabrina Douglas for her rebounding and overall ability," said Coach Poole. "She has really shown great improvement since last year. We are glad she will be around next year. Diane Straughter was also a valuable asset to the team with her rebounding ability."

PLAYERS: Back Row — Rafael Ramon, Ariel Aurubin. Front Row — Tony Martinez, Jorge Granda.

MCC's Soccer Chiefs completed their season with a record of 4 wins, 7 losses, and 1 tie.

The Soccer Chiefs played with one basic team, using very few substitutes.

One season highlight was their last game against North Miami. The game went into triple overtime, with a tie score of 1-1. With 5 penalty kicks left, tied up until the kick, North Miami took the lead of 2-1. "This was the most exciting game of the season," said Coach Bill Keefe.

According to Coach Keefe, the team would not have been complete this season without six outstanding players: Manuel Gallego, Ariel Aurubin, Luis Delahoz, Osvaldo Piloto, Tony Martinez, and Rafael Ramon.

This year's Soccer Chiefs were quite young, consisting mostly of tenth graders. Considering the age, skill, and effort, the Soccer Chiefs did quite well this year, and are going to be a lot better next year, according to Coach Keefe.

Carol City's basketball team started off slowly, but toward the second half of the season picked up speed. The first win of the season was the fifth scheduled game. (Basketball season opened before the end of the football playoffs).

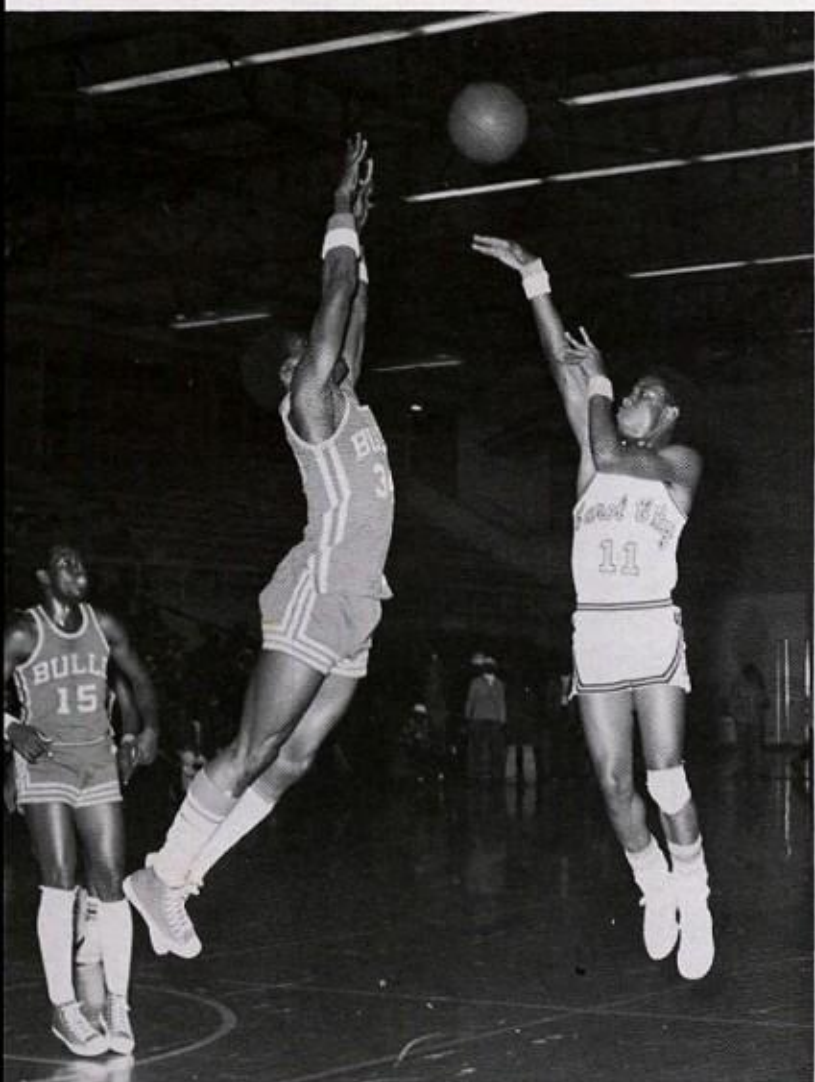

The team's outstanding player was Ken Reed, the 5'8" senior who averaged 18.5 points per game. Also providing strength and leadership through their playing abilities were Herman Lee, John Swain, Reggie Miller, and Rodgers Brown. These five young men were so combatant that they fought their way to an almost winning season.

The Chiefs lost 4 games in overtime and 5 games by 5 points or less.

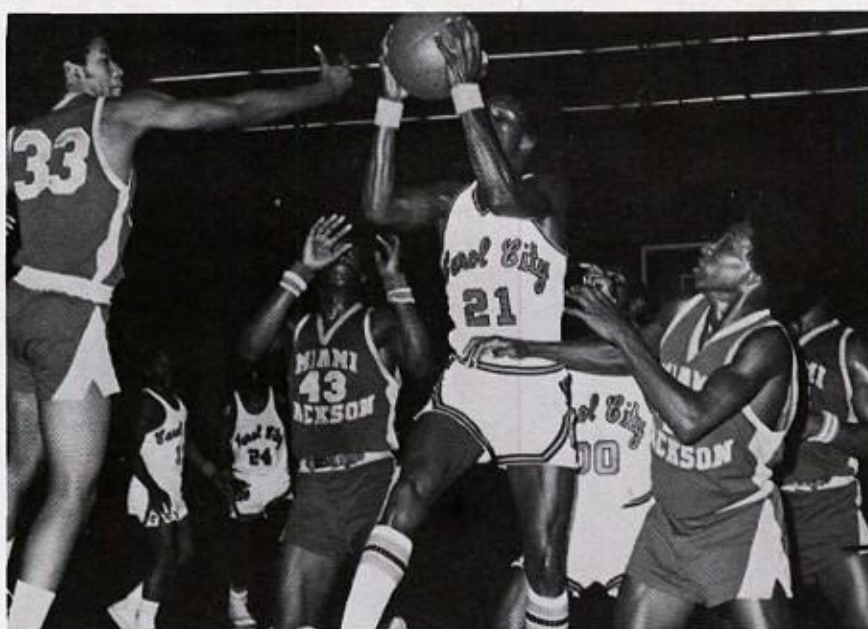

Coach Jerry Lotito said, "If we had started practice with a full team, the all-around record would have been better."

They lost strength again toward the end of the season as Cary Owens and Calvin Solomon, season leaders, moved up to the varsity team.

The season was made unique by overtime play, once against Springs and twice against Central, both at their gym and at ours.

Swim Team is off to new beginning

The 1977 Chiefs' Swimming Team was the smallest in six years. The boundary change affected the team badly. The Chiefs had a total of nine returning swimmers from last year and six recruited this year on the team. True, they weren't victorious in most of their meets, but in an individual sport such as this one, they showed their abilities very well. In fact, they showed it so well, that over half of the team made the District Competitions.

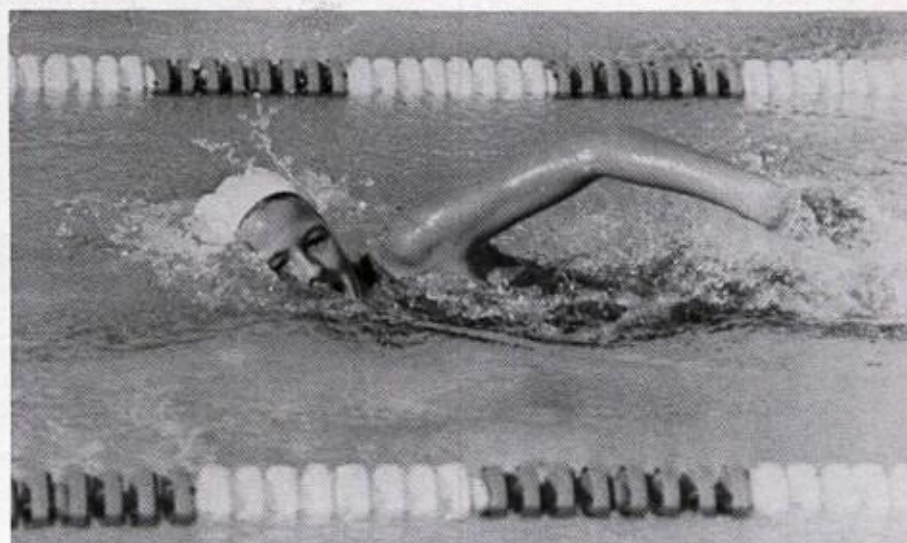

The leaders were seniors and captains, John Hankins and John Hicks for the guys and Sharon DeSoto for the girls. Seniors John Hankins and Danny Kenny were most successful in helping the team by participating in the diving part of the meets.

Freshmen look to future

Imagine being one of 200 freshmen in a senior high school of over 2400 students! That's the situation this year's freshmen class faced, and they faced it well.

While the class of '80 lacked a sponsor and officers, they never lacked spirit and CHIEF PRIDE!

Sophomores get early start

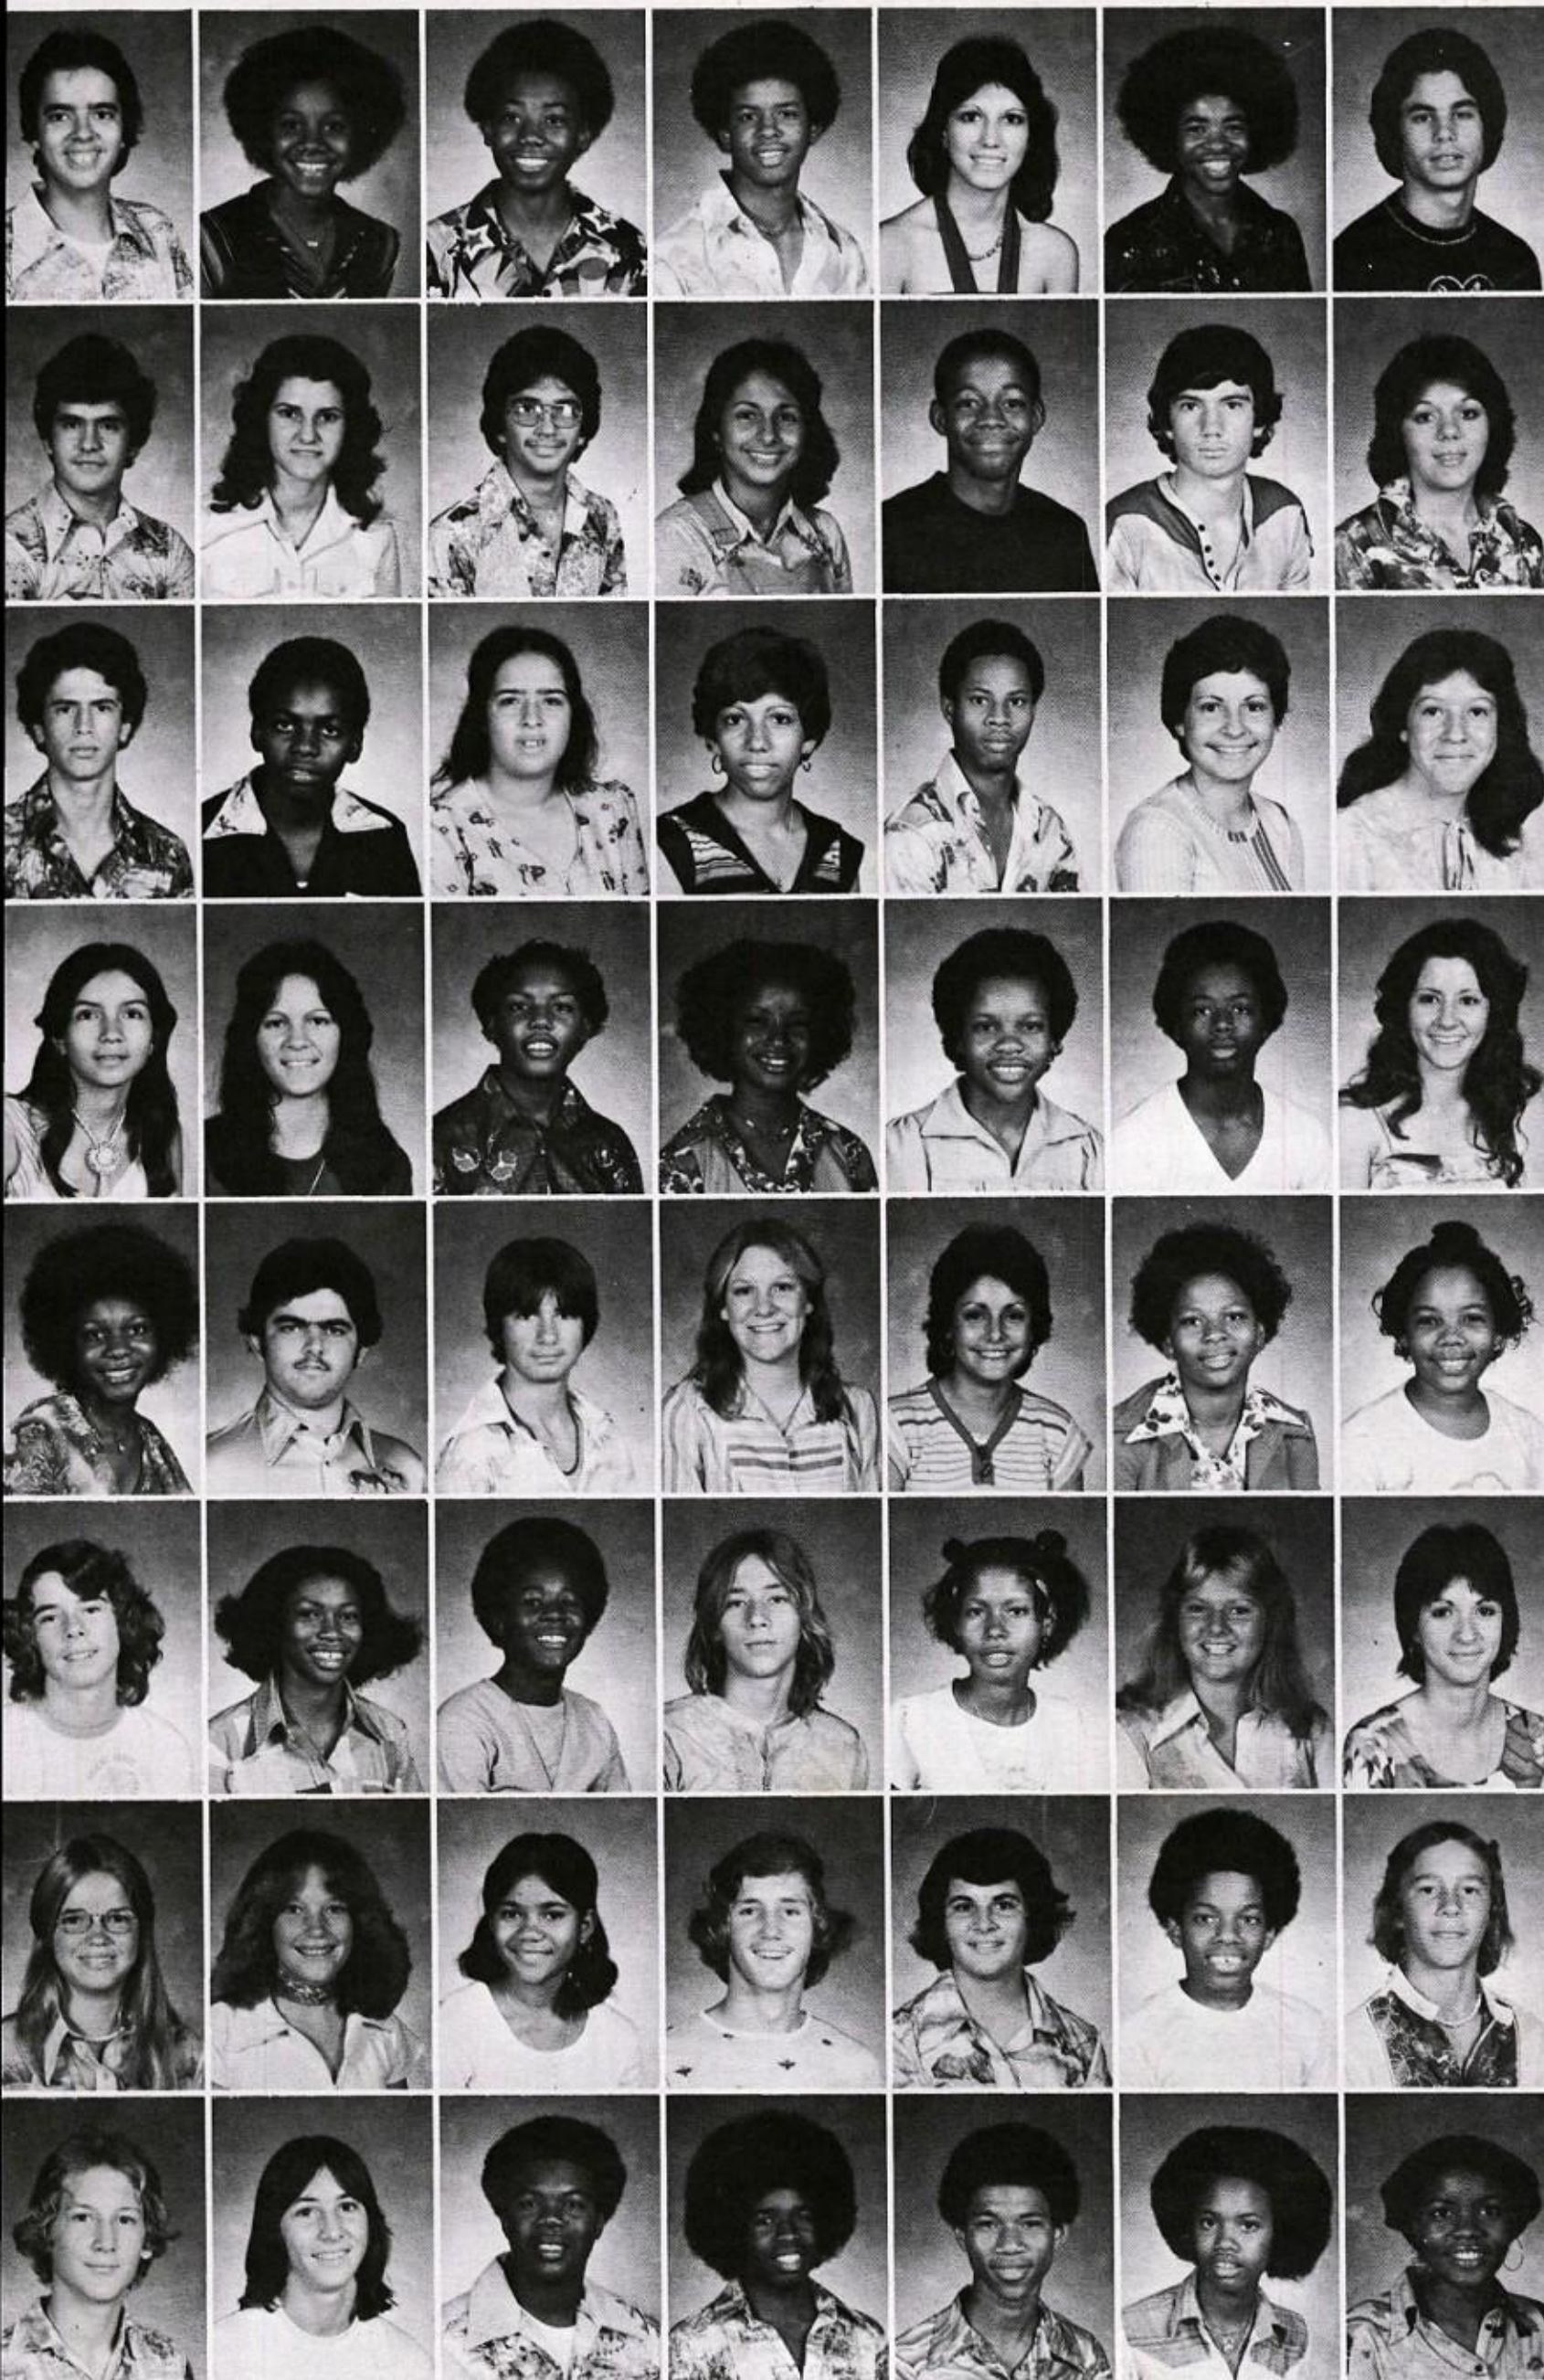

1. President Brenda Brace. 2.
Vice President Julian Howell. 3.
Treasurer Carrie McGuigan. 4.
Secretary Becky Dumas.

Sophomores started the year off early. They elected officers, and soon after that they tapped students for Sophomore Forum.

They planned many fund raising activities to build up the treasury to help provide funds for next year's Prom and decorated the hallway by 125 for Homecoming.

neroom sure gets boring.

MCC they make themselves at home.

Juniors work for prom

1. President Joy Robbins, Sponsor Mr. Sam Vega, Treasurer Rene Dean. Top Row — Vice President Almira Thomas, Secretary Miriam Tamargo. 2. President Joy Robbins. 3. Vice President Almira Thomas. 4. Secretary Miriam Tamargo. 5. Treasurer Rene Dean.

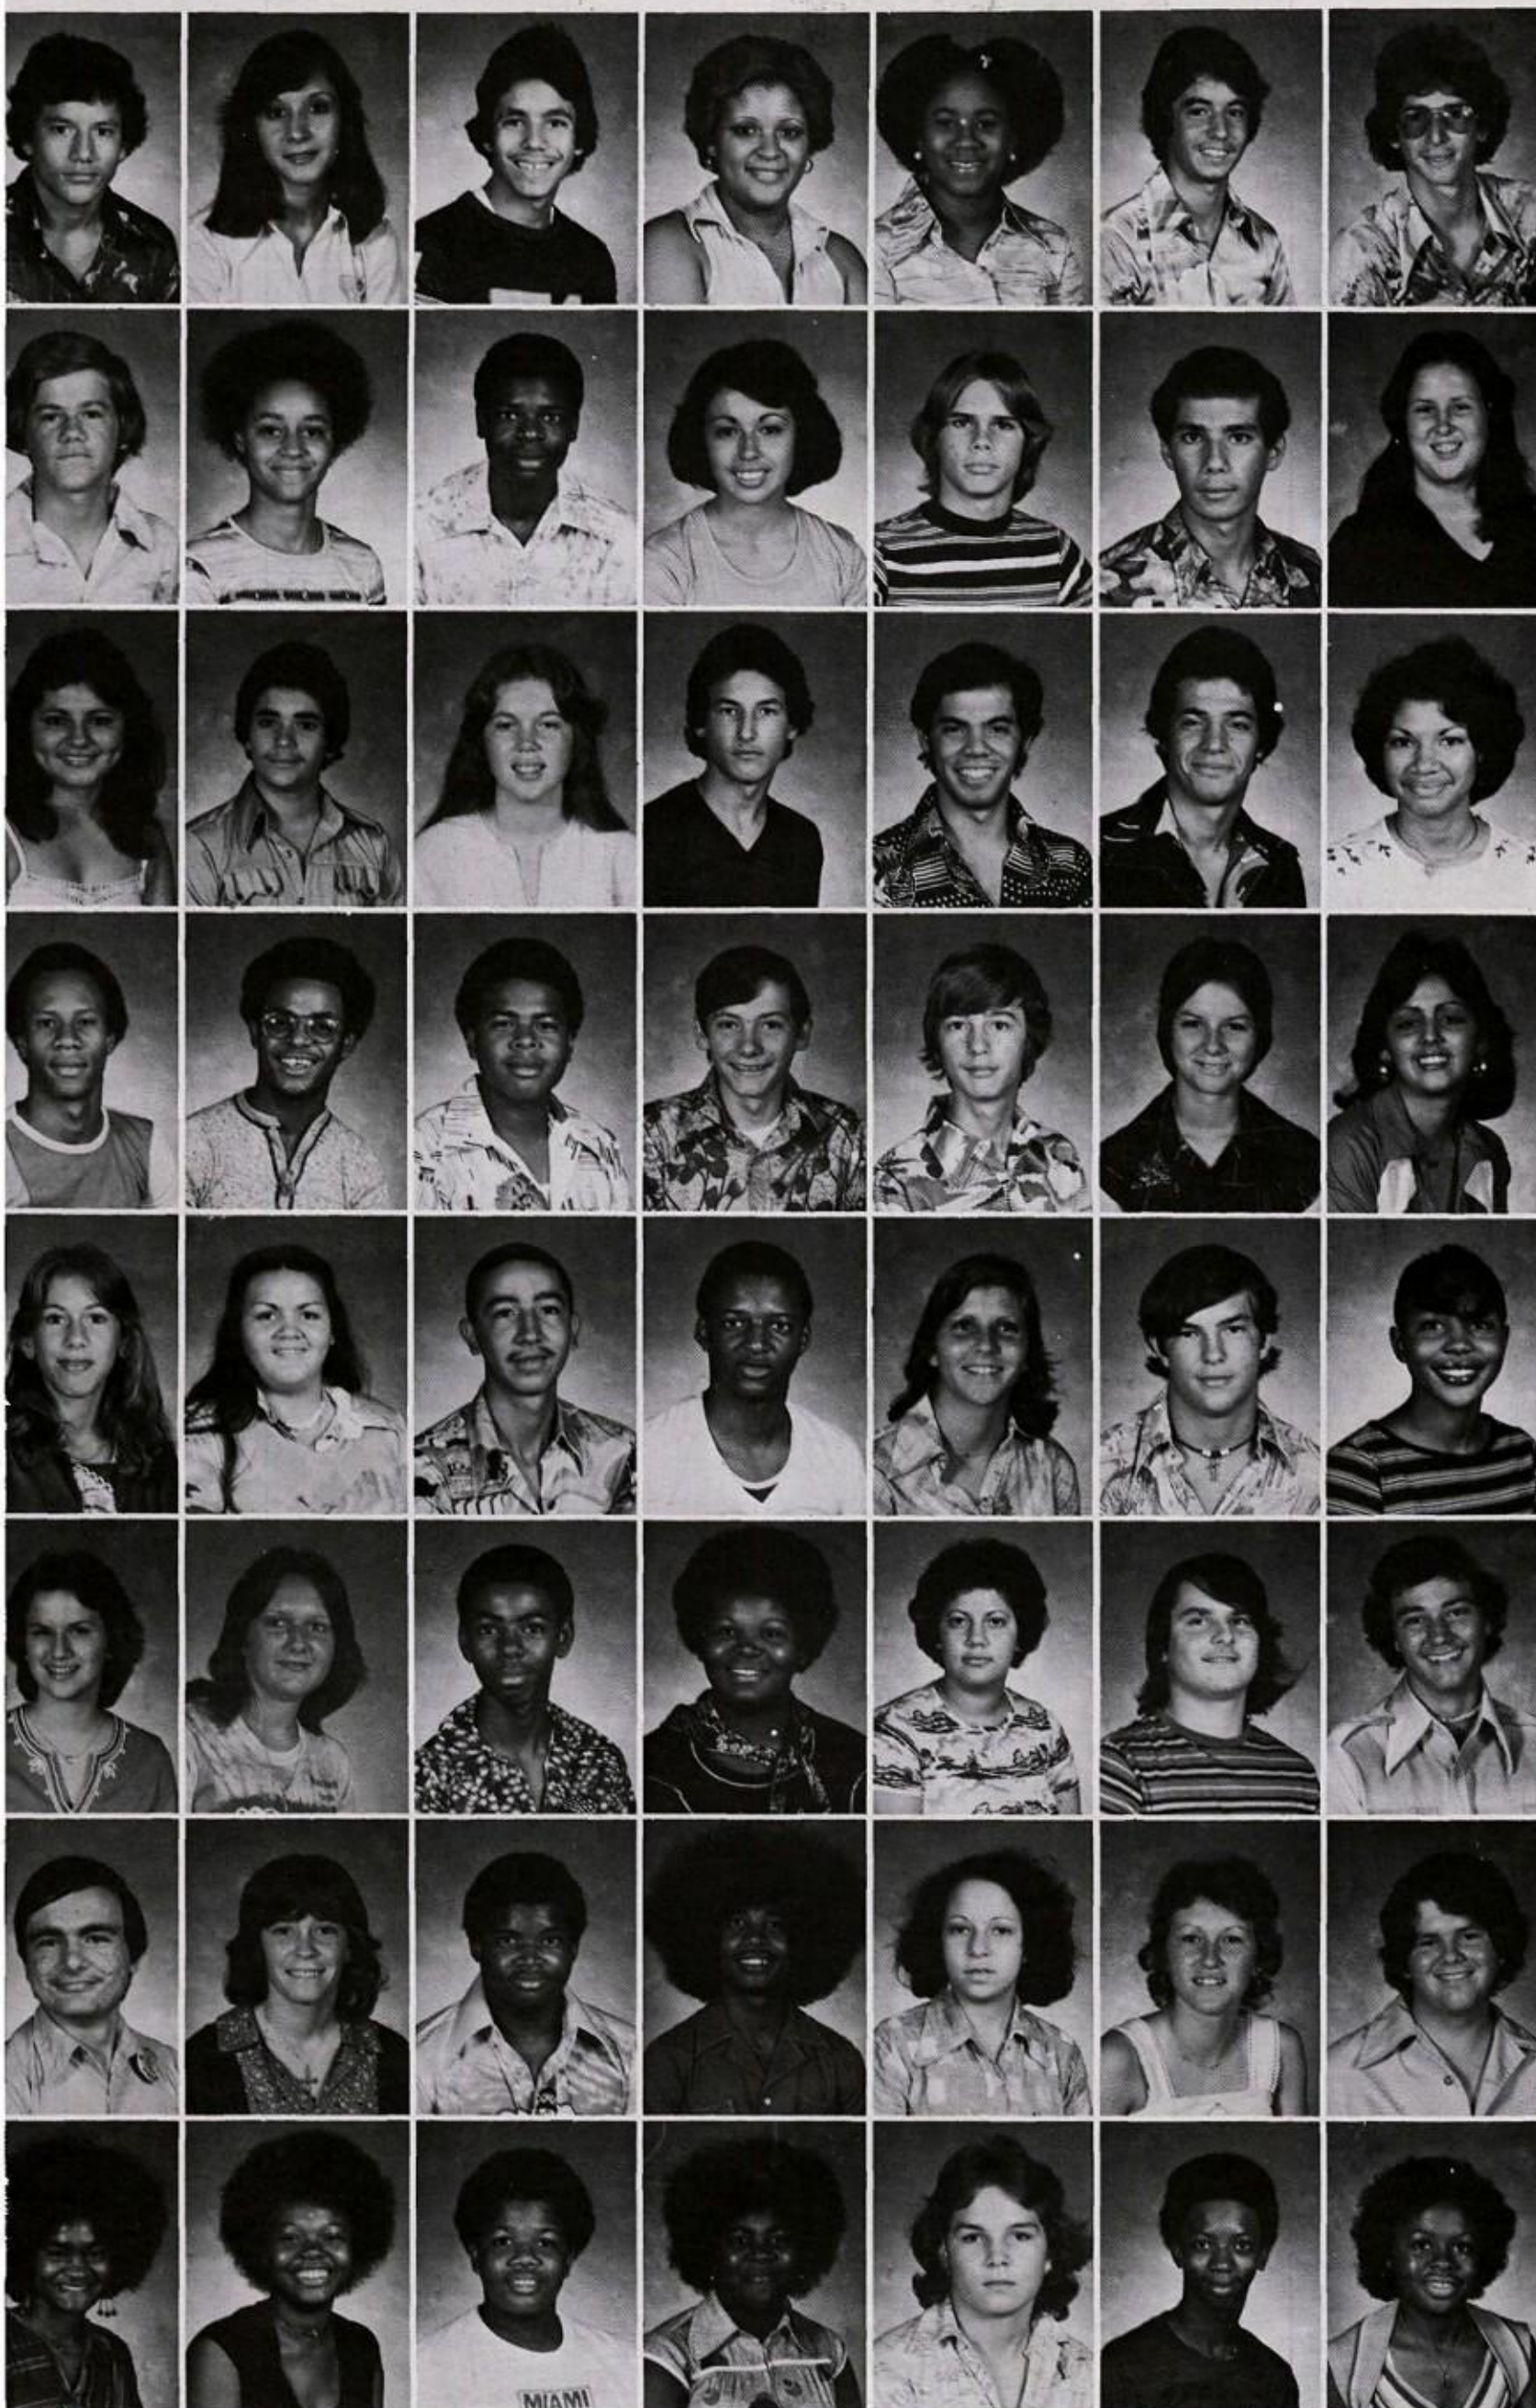

This year the Junior Class had sales of Chief Pride buttons, candy and magazines. The money they made from this was to pay for the Junior-Senior Prom.

The Junior Class Council led the way for the rest of the class and worked hard to help raise the necessary funds.

The Prom was held at the Dupont Plaza on May 21.

It was a most enjoyable year.

y, just call me the Fonz.

Work on Homecoming decorations was hard, but fun.

Letter from the Editor

To all my friends,

This is it! My last year at Carol City High. I have many memories of all the good times I've had during my four years here, but much of my senior year is preserved in this book.

Most of you will never realize all the work that went into making this book. Missing other classes to meet deadlines, trying to come up with new and creative headlines and layouts, working until all hours of the night to try and insure that this book would be on time. It's been hard, but to me, worth it.

I'd like to thank:

my staff, which was small compared to last year's, without who this book would never have been.

Saura Synn, who designed our yearbook cover.

our photographers, Mark and Ira, they weren't always prompt, but they always tried. They're great guys who took a lot of static this year, but as usual came through for us.

Ms. Milmore, our sponsor, whom I admire for lasting an entire year with Yearbook, Newspaper, Journalism, and English classes. I don't know how she did it, but she got the work done.

My parents, who put up with me and my yearbook mess, I mean creations, all over the house.

My friends, who helped when they could. It seems they're especially creative at posing for pictures.

This yearbook will always be special to me, because it will help me recall some wonderful times that can be relived in memory only. I hope it will serve the same purpose for you.
